

"A COMMUNITY
APPROACH DEVICE"

WHO IS IT FOR ?

IF YOU WANT TO
PROTECT THE PLANET

IF YOU WANT TO BE PART
OF THE **COMMUNITY**

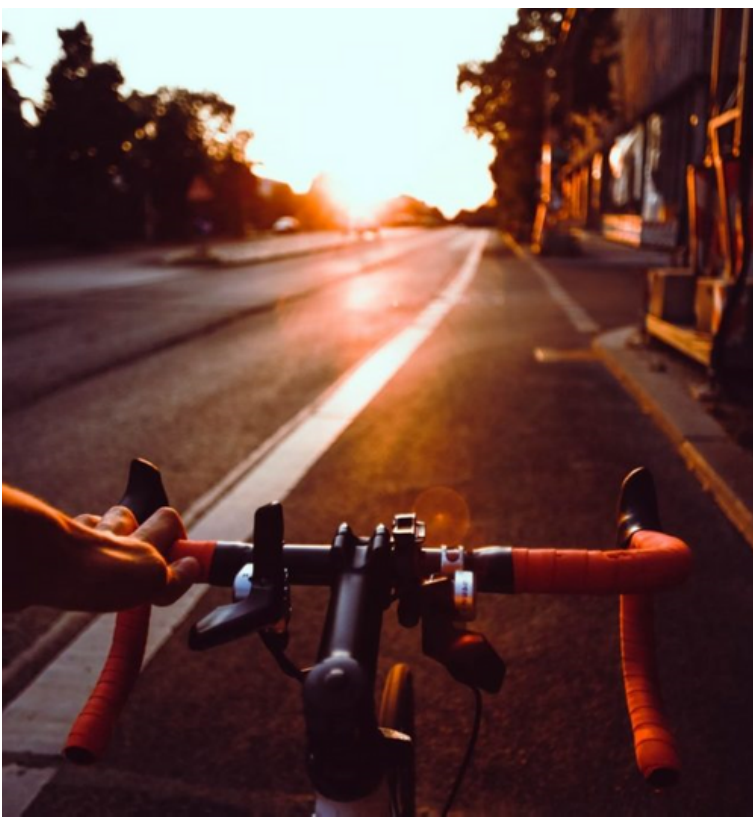

IF YOU WANT TO TAKE CARE
OF YOUR **BODY**

HOW TO USE IT ?

- 1 Plug-in** GOairLight on the handlebar of your bike
- 2 Connect** your app with your smartphone
- 3** Start riding paying following the best **route** choice provided by the app
- 4** No worries about the **light**, they will turn on automatically

HOW DOES IT WORK?

1 Air components pass through GOairLight

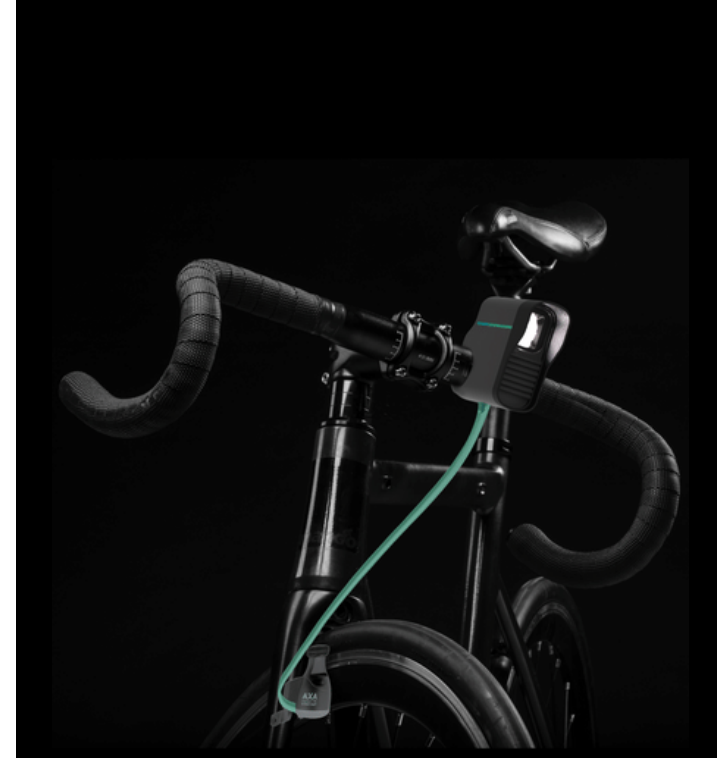

2 Data are being transferred to the interactive app

3 Data on air quality are shared with the community

**ENHANCED
COMMUNITY
SYSTEM**
